- This form is used to select (in advance) the method of payment of death proceeds to the beneficiary.
- A separate form is required for each individual beneficiary, whether it is a primary or contingent beneficiary.
- This form is a supplement to the Change of Beneficiary Form 54198 (contracts beginning in FXA, FXB, FXC, or 959) or the Customer Service Request form 37856 (all other contracts). This form will not be processed without a matching beneficiary on file.
- Pre-election of benefits is not available for all products. Refer to your contract for availability.
- Inherited nonqualified stretch annuities cannot be annuitized after the first distribution, therefore, pre-election for payment of death benefit is not available.
- Non-natural (entity) beneficiaries, IRAs and other tax-qualified annuities are not eligible because of the potential for a pre-selected payout plan being in conflict with IRS required distribution rules.

Request for Pre-Election of Death Benefit Proceeds

- I am the owner of a nonqualified deferred annuity contract, herein referred to as the "contract", issued by RiverSource Life Insurance Company, herein referred to as the "company." I wish to elect how death benefits under the contract will be paid to my beneficiary.
- I understand that this election allows the company to amend and supersede any provisions in the contract, except for spousal joint owner survivorship rights on nonqualified annuity contracts issued after 1/19/1985, that allows the beneficiary to make such an election upon the death of the individual identified above.
- I understand that failure of a beneficiary to submit due proof of death and begin to receive payments within one year of the date of death may result in this designated mode of settlement being void.
- If for any reason this designation does not satisfy Internal Revenue Code Section 72 distribution requirements, this
 designation will be void and the beneficiary will be permitted to elect payment pursuant to the provisions of the
 contract.
- If any election selected would exceed the life expectancy of the beneficiary at the time of claim, the election would be amended to reduce the payout period to the life expectancy of the beneficiary. If the life expectancy of the beneficiary would be less than five (5) years, or any payment would be less than the minimum allowed in the contract, the beneficiary will then be permitted to elect payment pursuant to the provisions of the contract. The purpose of this form is to select in advance the method of payment of death proceeds to the beneficiary. Refer to the Settlement Options provisions of the Contract for more details. The beneficiary designation may be changed at any time prior to the death of the annuitant or owner. This form alone will not update the beneficiary designation.
- Spendthrift Clause. Except as otherwise specifically provided herein, no beneficiary entitled to any payment hereunder shall have the right to withdraw, surrender for cash, borrow against, commute, anticipate, encumber, alienate, or assign such payment, or any part hereof, or any interest therein, nor shall such payment, or any part thereof, or any interest herein be in any way subject to such person's debts, contracts, or engagements, nor to any judicial process to levy upon or attach the same payment thereof. No provision of this contract or beneficiary designation shall be construed to prevent the owner or the beneficiary from assigning its interest in this contract to a nursing home or a government agency to qualify for government assistance programs. This clause shall be effective to the extent permitted by law.
